Dear Sir or Madam:

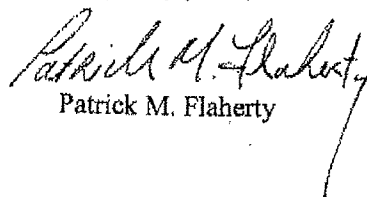

Enclosed are Verizon Internet Services Inc.'s, ("Verizon") responses for one hundred and five (105) IP addresses as requested by the above-referenced subpoena (see Exhibit A).

With regard to an additional eight (8) IP addresses, after diligent searching, Verizon has not located any information in its possession, custody, or control that is responsive to the above-referenced subpoena. No session information exists for the time stamp provided (see Exhibit B).

The enclosed responses are governed by the terms of the Confidentiality Agreement between Verizon and the RIAA. Verizon reserves all of its rights with respect to DMCA subpoenas, including the right to assert any legal objections to particular subpoenas under Fed. R. Civ. P. 45 and all applicable laws.

Please do not hesitate to contact me about any of these matters at the number listed above.

Very truly yours,

Patrick M. Flaherty
